

# All About Your Educators!

Hello! My name is **Ms. Kromminga**. Welcome to grade 1. It is a year of exploring new things and learning more.

I've been teaching for over 5 years and this is my 3rd year at OPA. I really enjoy grade 1 and seeing the growth.

I was born in Halifax but have spent time living around the world. I also love staying in Nova Scotia and exploring close to home. On the weekends, you can often find me hiking and enjoying our beautiful province. Maybe I'll see you on the trail.

I am excited to learn alongside you this year.

Hi! I'm **Mrs. Desrosiers**. I am in my 3rd year at OPA and I've been a teacher for many more years than that.

I am originally from New Brunswick but have called Nova Scotia home for some time.

In the summer you can find me and my daughters picking fruit, trying a new beach or playing with our dog. We also have a cat with no tail- he's always been that way.

I can't wait to be your teacher this year.

**We are looking forward to a great year together and learning all about you and your favourite things!**
